Uh, uh, uh  
Yeah, yeah  
I want you to feel me  
Speak louder, let somebody hear your voice!  
I need you, ready is me  
Get ready, take a breath and let it out!

(It's amazing) when dreams come to life,  
When you're dancing to life  
It's amazing!  
When you live from the heart!  
(It's amazing) when you touch the skies,  
spread your wings up, fly  
It's amazing when you reach for the stars!  
Uh, uh, uh  
yeah, yeah, yeah

No matter what you go through  
No matter where you've been before  
Do you know why you're waiting  
Are you afraid to fall?  
One moment, one crossroad  
If you never take a chance  
How will you know, how will you know?  
Yeah, yeah!

(It's amazing) when dreams come to life,  
When you're dancing to life  
It's amazing!  
When you live from the heart!  
(It's amazing) when you touch the skies,  
spread your wings up, fly  
It's amazing when you reach for the stars!  
Uh, uh, uh  
yeah, yeah, yeah

It's amazing...  
It's amazing...

When dreams come to life, and dreams come to life  
Uh, uh, when the dreams come to life!  
When dreams come to life, and dreams come to life

When dreams come to life, and dreams come to life  
When dreams come to life, and dreams come to life

(It's amazing) when dreams come to life,  
When you're dancing to life  
It's amazing!  
When you live from the heart!  
(It's amazing) when you touch the skies,  
spread your wings up, fly  
It's amazing when you reach for the stars!  
Uh, uh, uh  
yeah, yeah, yeah
