--

You're just too good to be true
Can't take my eyes off you

You'd be like heaven to touch
I wanna hold you so much
At long last love has arrived
And I thank God I'm alive

You're just too good to be true
Can't take my eyes off you

Pardon the way that I stare
There's nothing else to compare
The sight of you leaves me weak
There're no words left to speak
But if you feel like I feel
Please, let me know that it's for real

You're just too good to be true
Can't take my eyes off you

I love you, baby
And if it's quite alright
I need you, baby
To warm the lonely nights
I love you, baby
Trust in me when I say

Oh, pretty baby
Don't bring me down, I pray
Oh, pretty baby
Now that I found you, stay
And let me love you, baby
Let me love you

You're just too good to be true
Can't take my eyes off you

You'd be like heaven to touch
I want hold you so much
At long last love has arrived
And I thank God I'm alive

You're just too good to be true
Can't take my eyes off you
