--

Now, baby, come on
Don't claim that love you never let me feel
I should have known
'Cause you've brought nothing real

Come on be a man about it
You won't die
I ain't got no more tears to cry

And I can't take this no more
You know I gotta let it go
And you know

I'm outta love
Set me free
And let me out this misery

Just show me the way
To get my life again
You can't handle me

Said I'm outta love
Can't you see
Oh, baby, that you gotta set me free?
I'm outta love

Come on, be a man about it
You will survive
True that you can work it out, all right

Tell me, yesterday
Did you know
I'd be the one to let you go?
And you know

(I'm outta love)
I'm outta love

(Set me free)
Set me free
(Let me out this misery)
And let me out this misery

(Said I'm outta love)
I'm outta love
(Can't you see)
Baby, that you gotta set me free?
I'm outta love
