Top: 5

Theme: Rock

Original: Avril Lavigne

--

He was a boy
She was a girl
Can I make it any more obvious?
He was a punk
She did ballet
What more can i say?

He wanted her
She'll never tell
Secretly she wanted him as well
But all of her friends
They stuck up their nose
They had a problem with his baggy clothes

He was a sk8er boi
She said see you later boy
He wasn't good enough for her
She had a pretty face
But her head was up in space
She needed to come back down to earth

Sorry girl, but you missed out
Well, tough luck that boy's mine now
We are more than just good friends
This is how this story ends

Too bad that you couldn't see
See the man that boy could be
There is more than meets the eyes
I see the soul that is inside

He's just a boy
I'm just a girl
Can I make it anymore obvious?
He was a punk
She did ballet
What more can i say?

He was a sk8er boi
She said see you later boy
He wasn't good enough for her
She had a pretty face
But her head was up in space
She needed to come back down to earth

He was a sk8er boi
She said see you later boy
He wasn't good enough for her
