Lyrics from the movie:

Unicorns i love them,
Unicorns i love them,
Uni-Uni-Unicorns, i loove them!

Uni-Unicorns i could pet one
if they were really real..
And they are!
So i bought one so i could pet it.
And it loves me,
And i love it...

Lyrics from the soundtrack:

Unicorns I love them (x10)
Uni-Uni-Unicorns, i loove them!
Unicorns I love them (x6)
Uni-Uni-Unicorns, i loove them!

instrumental break

Unicorns I love them (x6)
Uni-Uni-Unicorns, i loove them!
Unicorns I love them (x6)
Uni-Uni-Unicorns, i loove them!

instrumental break, then fade
