Theme: Finale (Own Choice)

Original: Melba Moore

--

This is it (this is it)
Woaw, this time I know it's the real thing
And I can't explain what I'm feeling
I'm out of words
I'm in a daze
Stunned and amazed
By your loving ways

This is it (this is it)
Woaw, this time I know it's the real thing
And I can't explain what I'm feeling
I'm out of words
I'm in a daze
Stunned and amazed
By your loving ways

(You smiled at me) you smiled at me
(And suddenly) and suddenly
The wheels of love began to turn inside of me, yeah
You said hello
I felt aglow
Right then and there I knew I'd never let you go

'Cause I know
'Cause I know

This is it (this is it)
Woaw, this time I know it's the real thing
And I can't explain what I'm feeling
I'm lost for words
I'm in a daze
Stunned and amazed
By your loving ways

(It's heavenly) it's heavenly
(It's ecstasy) it's ecstasy
The way you make me feel

When you make love to me

Can't you see?

Can't you see?

This is it (this is it)

(This time I know it's the real thing)

Oh, and I can't explain what I'm feeling

I'm out of words

I'm in a daze

Stunned and amazed

By your loving ways

This is it
