(If you were mine, boy...) (wailing)

You get my heart beat beating like a drum
I'm going crazy baby insane
What would it take for me to be your number one
Just let me know cuz baby I'm game

[Speaking voice:]

Up an down you make me go
Like you don't even know
How much I want you, don't ya see that

[Chorus:]

If you were mine boy
And I was yours
We'd be on top of the world
(So baby talk to me, talk to me)
Give me your time boy
I'll be your girl
We'll be on top of the world
(So baby come to me, come to me)

I'm so addicted to the things you do
You've got my number won't you call me?
I've been so nervous waitin' for your move
So tell me do you see what I see

[Speaking voice]

[Chorus + overlay]

Now when I dream, I dream you'll take me in your arms
If I wake-up at night and you're not by my side
Boy I wonder were you are

If you were mine (If you were mine)
If you were mine (ooooh yeaah)

[Chorus 2x (impro/variation + overlay)]

If you were my boy friend
I could be your girl friend

We'd be on top of the world
If you were my boy friend
I can be your girl friend
We'd be on top of the world
