I saw you  
I think you saw me too  
You smiled at me  
Like strangers do  
Then you...  
Disappeared in the crowd  
Are you that somebody?

Even if I don't have you  
I'm not leaving this club without you  
And I'll do anything to get you  
To walk out of here with me  
I will treat you so good  
Leave you shaking  
I'll leave you breathless  
And I'll do anything to get you  
To walk out of here with me

Stay with me  
Stay until dawn  
One body  
And a rush of blood  
And your hands...  
How I need your hands  
Are you that somebody?

Even if I don't have you  
I'm not leaving this club without you  
And I'll do anything to get you  
To walk out of here with me  
I will treat you so good  
Leave you shaking  
I'll leave you breathless  
And I'll do anything to get you  
To walk out of here with me

I'm gonna lay you down...  
I'm gonna set you free...  
I'm gonna make you part of me...

Even if I don't have you  
I'm not leaving this club without you

And I'll do anything to get you  
To walk out of here with me  
I will treat you so good  
Leave you shaking  
I'll leave you breathless  
And I'll do anything to get you  
To walk out of here with me

Lights, body, floor  
Lights, body, floor  
Lights, body, floor  
Lights, body, floor  
Lights, body, floor  
Lights, body, floor  
Lights, body, floor  
Lights  
Lights  
Floor
