I've seen this coming for a long time  
The silence in the conversations  
Saying more than feel safe out loud

There was a time I would've fought you  
To save this love but now it's pointless  
Standing like strangers in the crowd

Watching it burn  
And I am helpless now to stop it  
Watching it burn  
Looks like the whole world's crashing down

Thought we were in it for the long run  
That we were built to last in sadder  
Coal fire is prudently long

I feel it growing from the inside  
Why should we stay and wait forever?  
Knowing what is coming along

Watching it burn  
And I am helpless now to stop it  
Watching it burn  
Looks like the whole world's crashing down

Watching it burn  
And I am helpless now to stop it  
Watching it burn  
Don't wanna see it burn

Don't wanna see it burn,  
Don't wanna see it burn  
Don't wanna see it burn

Watching it burn  
And I am helpless now to stop it  
Watching it burn  
Looks like the whole world's crashing down

Watching it burn  
And I am helpless now to stop it

Watching it burn  
Don't wanna see it burn  
Don't wanna see it burn
