--

Today is gonna be the day  
That they're gonna throw it back to you  
By now you should've somehow  
Realized what you gotta do

And I don't believe that anybody  
Feels the way I do  
About you now

Backbeat the word is on the street  
And the fire in your heart is out  
I'm sure you've heard it all before  
But you never really had a doubt

And I don't believe that anybody  
Feels the way I do, oh  
About you now

And all the roads we have to walk are winding  
And all the lights that lead us there are blinding  
There are many things that I would  
Like to say to you  
But I don't know how

'Cause maybe  
You're gonna be the one that saves me  
And after all  
You're my wonderwall

You're gonna be the one  
That saves me  
That saves me
