What's the sense in sharing  
This one and only life  
Endin' up, just another lost and lonely wife  
You count up the years  
And they will be filled with tears  
Love only breaks up, to start over again  
You'll get the babies, but you won't have your man  
While he is busy loving, every woman that he can

Say I'm gonna leave a hundred times a day  
It's easier said than done  
When you just can't break away

Oh, young hearts, run free  
Never be hungup  
Hungup like my man and me  
My man and me  
Oh, young hearts, to yourself be true  
Don't be no fool when  
Love really don't love you  
Don't love you

Say Im gonna turn loose a hundred times a day  
It's easier said than done  
When you just break away

Young hearts, run free  
Then never ever be hungup  
Hungup like my man and me
