Intro. (Acoustic Guitar, Electric Guitar and Electric Piano)

If I had ever been here before I would pro'bly know just what to do

Hey, don't you?

If I had ever been here before on another time around the wheel I would pro'bly know just how to deal

With all of you

And I feel like I've been here before

Feel like I've been here before

And you know it does make me wonder

What's going on under the ground

Do you know?

Don't you wonder?

What's going on

Down under you

Na, na, na ...

Instrumental (Bass + Harmonica + Electric Piano + Electric Guitar)

We have all been here before

We have all been here before

We have all been here before

We have all been here before

Ending (Electric Guitar, Acoustic Guitar and Organ)
