(David Crosby)

[Intro. (Acoustic Guitar, Electric Guitar and Electric Piano)]

If I had ever been here before I would pro'bly know just
what to do
Hey, don't you?
If I had ever been here before on another time around
the wheel I would pro'bly know just how to deal
With all of you

And I feel like I've been here before
Feel like I've been here before
And you know it does make me wonder
What's going on under the ground

Do you know?
Don't you wonder?
What's going on
Down under you

Na, na, na ...

[Instrumental (Bass + Harmonica + Electric Piano +
Electric Guitar)]

We have all been here before
We have all been here before
We have all been here before
We have all been here before

[Ending (Electric Guitar, Acoustic Guitar and Organ)]
