Drop down mama  
Let your daddy see  
you got something down there  
that keeps on worryin' me.

But my mama don't allow me  
to fool around  
She's sayin' "son you're too young now.  
some woman might put you down."

Go 'way from my window  
Stop scratchin' 'round my screen  
you're so evil woman  
And I know what you mean.

Any my mama don't allow me  
To fool around  
She's sayin' "son, you're too young now,  
some woman might put you down."

I got three women livin'  
on the same damn road  
one does my cookin'  
one does my washin'  
one pays my room and board.

And my mama don't allow me  
to fool around  
She's sayin' "son, you're too young now,  
some woman might put you down."

Drop down mama  
Let your daddy see  
You got something down there  
that keeps worryin' me

And my mama don't allow me  
to fool around  
She's sayin' "son you're too young now,  
some woman might put you down."

"Son you're to young no,  
some woman might put you down."
