By Graham Nash

There I was at the immigration scene  
Shining and feeling clean  
Could it be a sin?  
I got stopped by the immigration man  
He says he doesn't know if he can  
Let me in-let me in-immigration man  
Can I cross the line and pray  
I can stay another day  
Let me in immigration man  
I won't toe your line today  
I can't see it anyway

There he was with his immigration face  
Giving me a paper chase  
But the sun was coming  
Cos all at once he looked into my space  
And stamped a number over my face  
And he sent me running  
Let me in-let me in-immigration man  
Can I cross the line and pray  
I can stay another day  
Let me in immigration man  
I won't toe your line today  
I can't see it anyway

Here I am with my immigration form  
It's big enough to keep me warm  
When a cold wind's coming  
So go where you will  
So long as you think you can  
You'd better watch out-watch out-for the man  
Anywhere you're going.

Won't you let me in immigration man  
Can I cross your line and pray  
Take your fingers from the tray  
Let me in-irritation man  
I won't toe your line today  
I can't see it anyway.
