First time I saw her  
She was still in school  
Chewin' on a pencil  
Playin' pool  
Stayin' up all night  
Full of dreams

I've known her family  
Ever since we were small  
Gettin' in trouble  
Drivin' our folks up the wall  
Wastin' time  
Yeah....but we had fun  
She was gonna  
Ride her bike to China  
Sail away on a bottle top  
And as the years passed by  
One night I held her close to me  
That was the first time I  
Said I love you  
To Natalie

Carousel was crowded  
So we talked for a while  
Natalie said, "Baby,  
You know I miss your smile...  
Whenever you go away  
From me."  
You know that time starts tickin'  
When a love starts to fade  
I knew something was wrong but still  
I thought we had it made  
The first time I  
Said I love you  
To Natalie  
That was the first time I  
Said I love you  
To Natalie

Now I look at her pictures  
And I talk to these walls  
Call out her name

But  
She don't hear  
Me at all

And she got wild and restless  
Tried everything  
She could take  
One night I tried to stop her  
But I was too late

That was the last time I  
Said I love you  
To Natalie

And that was the last time I  
Said I love you  
To Natalie

That was the last time I  
Said I love you  
That was the last time I  
Said I love you  
That was the last time I  
Said I love you  
To Natalie
