It's hard enough, I know  
To find the strength to go  
Back to where it all began  
It's hard to enough to gain  
Any traction in the rain  
You know it's hard for me to understand

### CHORUS #1:

Hard to find a way  
To get through another city day  
Without thinking about  
Gettin' out

Now the strangest thing I've seen  
Was a t-shirt turning green  
In envy of turtle dove  
The dove's lady was the cause  
Or maybe it was the olive branch she held in her claws  
Or maybe he could see they were in love

### CHORUS #2:

You know it's hard for me to find a way  
To get through another city day  
Without thinking about  
Gettin' out
