I close my eyes and I keep seeing things
Rainbow waterfalls
Sunny liquid dreams
Confusion creeps inside me raining doubt
Gotta get to you
But I don't know how
Call me call me
Let me know it's alright
Call me call me
Don't you think it's 'bout time
Please won't you call and
Ease my mind
Reasons for me to find you
Peace of mind
What can I do
To get me to you

I had your number quite some time ago
Back when we were young
But I had to grow
Ten thousand years I've searched it seems and now
Gotta get to you
Won't you tell me how
Call me call me
Let me know you are there
Call me call me
I wanna know you still care
Come on now won't you
Ease my mind
Reasons for me to find you
Peace of mind
What can I do
To get me to you
Come on now won't you
Ease my mind
Reasons for me to find you
Peace of mind
Reasons for livin my life
Ease my mind
Reasons for me to know you
Peace of mind
What can I do

To get me to you
