You said you wanted to see PARIS  
So I took you to the movie  
"Bon Amie" or something french like that  
And then you said you were embarrassed  
Because I never bought you jewelry  
Television shopping fixed all that

Funny thing  
'Cause I haven't seen you lately  
When I called your house  
It wasn't you who told me

I heard it all  
from your dad  
I used up all my money on you BABY  
and I want it back

I want it back  
I used up all my money tryin' to please ya  
Now I want it back

Want it all back  
Want it all Back

Do you remember late last winter  
You said that you had nothin' to wear  
Those fake fur pajamas looked real nice

I couldn't take you to Miami  
But I took you to the ocean and we  
Had some blue Hawaii on the beach

Let me think  
If I add up all you owe me  
And Include my time  
I might make it through the summer

And I guess that  
ain't too bad  
I used up all my money on you BABY  
and I want it back

I want it back  
Said I want it all back  
Gimmie my money all back

Want my money all back
