Can you feel it?
Can you feel it?
The love in this place
Can you feel it?

Can you feel it?
Can you feel it?
Grace in this place
Can you feel it? Yeah

Life makes it so hard sometimes
To know what's real
Life makes it so hard sometimes
To know what's real

Oh, this life makes it so hard sometimes
To know what's real
Oh, this life makes it so hard sometimes

Can you feel it?
Can you feel it?
The love in this place
Can you feel it?

Can you feel it?
Can you feel it?
Grace in this place
Can you feel it?

When I can't feel You there
When I can't see You there
When I can't comprehend that
You are there, You are there
You're everywhere, You are everywhere

Can you feel it?
Can you feel it?
The hope in this place
Can you feel it?

Can you feel it?
Can you feel it?

The peace in this place
Can you feel it? Yeah

When we can't feel You there
When we can't see You there
When we can't comprehend that
You are there, You are there
You're everywhere, You are everywhere

Our God is here
Our God is here
Our God is here
Our God is here

We believe You're here
We can feel You here
We can see You here
We believe You're here
You are here, You are here
