The one who I've searched for
For so long has come
With open arms
Today is the day of glory
Today is the day I'm home

Oh day, what a day
Oh day, I'm yours
Oh day of resurrection

You come and find me, find me and I
Oh I come alive
Oh I come alive
What can I do but offer my life
And I come alive
Oh I come alive
Again

Today is the day I rise like the dawn
Up out of death
To a Son, to a Son
Oh day, what a day
Oh day, I'm yours
Oh day of resurrection

You come and find me, find me and I
Oh I come alive
Oh I come alive
What can I do but offer my life
And I come alive
Oh I come alive

Beat the drum and say no more
The heart and mind and soul have flown
Oh what am I to do
Oh what am I to do

Beat the drum and say no more
Drift away with you my love
Oh what am I to do
Oh what am I to do
But surrender

To you

You come and find me, find me and I

Oh I come alive

Oh I come alive

What can I do but offer my life

And I come alive

Oh I come alive
