Deliver me out of the sadness
Deliver me from all the madness
Deliver me courage to guide me
Deliver me Your strength inside me

CHORUS:

All of my life
I've been in hiding
Wishing there was someone just like You
Now that You're here
Now that I've found You
I know that You're the One to pull me through

Deliver me loving and caring
Deliver me giving and sharing
Deliver me this cross that I'm bearing
Oh, deliver me

Jesus, Jesus how I trust You
How I've proved You o'er and o'er
Jesus, Jesus precious Jesus
Deliver me
Come and pull me through
Come pull me through
