God of Creation

Verse 1:

It's the way your stars shine  
Sometimes so bright I swear I could hear  
And it's the way your moonlight  
Falls on your mountain lake so clear  
And it's the way your sunshine  
Paints your evening sky  
And it's the way your rain falls  
To sing me to sleep at night and

I fall into you

Chorus:

God of creation take my breath away  
God of the heavens in this very space [2x]

Verse 2:

It's the way you lead me  
The way we walk by your water's still  
It's the way you hold me  
The way you've felt all that I feel  
And it's the way you touch me  
The way you know when it's needed most  
It's the way you form your words  
On my heart while I rest in you

Carry me away

[Repeat Chorus]

Bridge:

And you enter suddenly  
And I am lost again  
Inside the mystery  
I am lost again  
And you come suddenly  
And I am lost again  
Inside the majesty  
I am lost again  
Inside the majesty

Inside the mystery

Chorus [4x]
