Heaven came down and glory filled my soul  
When at the cross my Savior made me whole  
My sins were washed away and my night was turned to  
day  
Heaven came down and glory filled my soul, yeah,  
yeah

Oh, what a wonderful, wonderful day  
Day I will never forget  
When I was wandering in darkness away  
Jesus my Savior I met

When Heaven came down and glory filled my soul  
When at the cross my Savior made me whole  
My sins were washed away and my night was turned to  
day  
When Heaven came down and glory filled my soul,  
yeah, yeah

Oh, what a tender compassionate Friend  
He met the need of my heart  
The shadows dispelling, with joy I am telling  
He made all the darkness depart

When Heaven came down and glory filled my soul  
When at the cross my Savior made me whole  
My sins were washed away and my night was turned to  
day  
When the Heaven came down and glory filled my soul

And oh, what a wonderful, wonderful day, yeah, today  
Oh, what a glorious, glorious day  
The day You came to save me  
Oh, what a wonderful, wonderful day  
The day You came and You saved me
