Here is our King, here is our love
Here is our God who's come
To bring us back to Him
He is the One, He is Jesus

And He is our King, He is our love
He is our God who's come
To bring us back to Him
He is the One, He is Jesus, Jesus

Somewhere ever spring arrives to heal the ground
From wherever searching comes the look itself
A trace of what we're looking for so be quiet now and
wait
Ocean is growing, the tide is coming in, here it is

Here is our King, here is our love
Here is our God who's come
To bring us back to Him
He is the One, He is Jesus

And He is our King, He is our love
He is our God who's come
To bring us back to Him
He is the One, He is Jesus, Jesus

And what was said to the rose to make it unfold
Was said to me, here in my chest so be quiet now and
rest

So be quiet now and rest
The ocean is growing, the tide is coming, here it is

Here is our King, Here is our love
Here is our God who's come
To bring us back to Him
He is the One, He is Jesus

And He is our King, He is our love
Here is our God who's come
To bring us back to Him
He is the One, He is Jesus, He is Jesus
