This place is trying to break my belief
But my faith is bigger than all I can see
What I need is redemption
What I need is for You for to put me back on my feet

Wha ah oooooh oooooh oooh
Wha ah oooooh oooooh ooh oh

I swear I'm trying to give everything
But I feel I'm falling, oh make me believe
What I need is resurrection
What I need is for You to put me back on my feet

Wha ah oooooh oooooh oooh
Wha ah oooooh oooooh ooh ohhh

If I could feel You shine Your perpetual light
Then maybe I could crawl out of this tonight
If I could feel You feel You shine
Oh let me feel You shine
So beautiful and warm
So beautiful and bright
Like a sun comin' out of a rainy sky
Oh let me feel You shine Oh,
Let me feel You shine

I lift the knife to the thing I love most
Praying You'll come so I can have both
What I need is for You to touch me
What I need is for You to be the thing that I need

Wha ah oooooh oooooh oooh
Wha ah oooooh oooooh ooh ohhh

If I could feel You shine your perpetual light
Then maybe I could crawl out of this tonight
If I could feel You feel You shine
Oh let me feel You shine
So beautiful and warm
So beautiful and bright
Like a sun comin' out of a rainy sky
Oh let me feel You shine

God I need a Savior
O come Generous King
O God I need a Savior
To come rescue me

Oh let me feel You shine Your magnificent light
Then maybe I could crawl out of this tonight
If You let me feel You feel You shine
Oh let me feel You shine
So beautiful and warm
So beautiful and bright
Like a sun comin' out of a rainy sky
Oh let me feel You shine

Let me feel You shine
Let me feel You shine
