You are more beautiful
Than anyone ever
Everyday You're the same
You never change, no never

You are more beautiful
Than anyone ever
Everyday You're the same
You never change, no never

And how could I ever deny
The love of my Savior
You are to me everything
All I need forever

How could You be so good?

There is no one like You
There has never ever been anyone like You

Everywhere You are there
Earth or air surrounding
I'm not alone, the heavens sing along
My God You're so astounding
How could You be so good to me
Eternally I believe that'

There is no one like You
There has never ever been anyone like You
There is no one like You
There has never ever been anyone like You

You, You, You, You, You, You

How could You be so good to me?
How could You be so good to me?
We're not alone, so sing along
We're not alone, so sing along, sing along, sing along

Here we go!

There is no one like You

There has never ever been anyone like You

There is no one like You

There has never ever been anyone like You

There is no one like You

There has never ever been anyone like You

There is no one like our God, yeah
