Victim of our sacrifice
Gift of love a perfect life
All for a wayward bride
All for a wayward bride

See the lion and the lamb
How he sits at your right hand
Waiting to come again
Waiting to come again

Oh great love of God
Who takes away the sin of all of us
Gone forever
Heaven open wide in a resurrection
You won't be denied bringing life to the dead and
dying

Servant king of rich and poor
Beggar that the world ignores
Oh let me see your face
Hidden in simple things

Oh great love of God
Who takes away the sin of all of us
Gone forever
Heaven open wide in your resurrection
You won't be denied bringing life to the dead and
dying
You won't be denied we will rise and we'll sing forever

This is not a song
This is a revival
A revival

This is not a death
This is us waking
This is a return back to life
Oh your life all I'm living for
Your life in my life oh it's life that I'm dying for

Oh great love of God

Who takes away the sin of all of us
Gone forever

Oh great love of God
Who takes away the sin of all of us
Gone forever
Heaven open wide in your resurrection
You won't be denied bringing life to the dead and
dying
You won't be denied we will rise and we'll sing forever
