At the start  
he was there, he was there  
In the end,  
he'll be there, he'll be there

And After all our hands have wrought  
He forgives

Oh the Glory of it all is:  
he came here  
For the rescue of us all  
that we may live  
for the glory of it all  
for the glory of it all

All is lost  
find him there, find him there  
After night  
Dawn is there, Dawn is there

After all falls apart  
he repairs he repairs

Oh the Glory of it all is:  
he came here  
for the rescue of us all  
that we may live  
for the glory of it all

oh he is here  
for redemption from the fall  
that we may live  
for the glory of it all  
oh the glory of it all  
the glory of it all  
oh the glory of it all

After night  
comes the light  
dawn is here  
dawn is here  
it's a new day

it's a new day  
everything will change  
things will never be the same  
we will never be the same  
we will never be the same  
we will never be the same  
we will never be the same

Oh, The glory of it all is  
you came here  
for the rescue of us all  
that we may live  
for the glory of it all

Oh you are here  
with redemption for us all  
that we may live  
for the glory of it all  
for the glory of it all  
oh the glory of it all
