Take my heart, I lay it down

At the feet

of You who's crowned

Take my life

Letting go

I lift it up

to You who's throned

And I will worship You, Lord

Only You, Lord

And I will bow down before You

Only You, Lord

Take my fret, take my fear

All I have I'm leaving here

Be all my hopes, be all my dreams

You're my delights

Be my everything

And I will worship You, Lord

Only You, Lord

And I will bow down before You

Only You, Lord

And I will worship You, Lord

Only You, Lord

And I will, I will bow down before You

Only You, Lord

And it's just You and me here now

Only You and me here now

And it's just You and me here now

Only You and me here now

You should see the view

When it's only You
