When we sing, hear our songs to You
When we dance, feel us move to You
When we laugh, fill our smiles with You
When we lift our voices louder still
Can You hear us? Can You feel?

We love You, Lord
We love You, we love You
We love You, Lord
We love You, we love You

When we sing, hear our songs to You
When we dance, feel us move to You
When we laugh, fill our smiles with You
When we lift our voices louder still
Can You hear us? Can You feel?

We love You, Lord
We love You, we love You
We love You, Lord
We love You, we love You
We love You, Lord
We love You, we love You

And our love is big, our love is loud
Fill this place with this love now
And our love is big, our love is loud

Fill this place with this love now

And our love is big, our love is loud
Fill this place with this love now
And our love is big our love is loud
Fill this place with this love now

We love You, Lord
We love You, we love You
We love You, Lord
We love You, we love You

We love You, Lord
We love You, we love You

We love You, Lord
We love You, we love You

Let's lift our voices louder still
Our God is near, our God is here
Let's lift our voices louder still
Our God is near, our God is here

Let's lift your voices louder still
Our God is near, our God is here
Let's lift our voices louder still
Our God is near, our God is here

We love You, Lord
We love You, we love You
We love You, Lord
We love You, we love You
