You're a revolution
You're a revolution

Desperation leads us here, leads us here
Illumination meets us here, meets us here
Revelation brings us here, brings us here
Restoration frees us here, frees us here

And I don't want to leave
I don't want to leave this place
No, I don't want to leave
I never want to leave this place

It's so amazing
Your unchanging love
Simply amazing
Never changing love
Love, love revolutionary love

Reparation leads us here, leads us here
Liberation meets us here, meets us here
Jubilation brings us here, brings us here
Higher elevation frees us here, frees us here

And I don't want to leave
I don't want to leave this place
And I don't want to leave
I never want to leave this place

It's so amazing
Your unchanging love
Simply amazing
Never changing love

It's so amazing
Your unchanging love
Simply amazing
Never changing love
Love, love revolutionary love

Your revolutionary love
Your revolutionary love love love

You're a revolution I want to be
Revolutionary
You're a revolution I want to be
Revolutionary
You're a revolution I want to be
Love love love, revolutionary love
