Stumbled through the doorway
Into the strangest thing
An unexpected magic land
With snow beneath my feet

Came across a lady
Who dressed herself in white
She took her coat to cover me
Then a query cold as ice

What do you want?

Turkish Delight
(It's my favorite thing)
It's my favorite thing
Turkish Delight
(All I want to do)
What I wouldn't do, what I wouldn't do

Turkish Delight
(It's my favorite thing)
It gets me every time
Turkish Delight
(All I want to do)
What I wouldn't give, what I wouldn't give
(What I wouldn't do for her?)

Wouldn't think I'd fall for it
Wouldn't think I'd lie
But I think I'd do anything
For that tiny bit of pie

I would sell you out
I'd give you all away
A life of treats might do me in
But I gotta get another taste

Turkish Delight
(It's my favorite thing)
It's my favorite thing
Turkish Delight
(All I want to do)

What I wouldn't do, what I wouldn't do

Turkish Delight
(It's my favorite thing)
It gets me every time
Turkish Delight
(All I want to do)
What I wouldn't give, what I wouldn't give

Oh, what I wouldn't do
Yeah, what I wouldn't give

She's got me underneath her spell
And she did it with one bite
Now, all I want is my Turkish Delight

Turkish Delight
(It's my favorite thing)
It's my favorite thing
Turkish Delight
(All I want to do)
What I wouldn't do, what I wouldn't do

Turkish Delight
(It's my favorite thing)
It gets me every time
Turkish Delight
(All I want to do)
What I wouldn't give, what I wouldn't give
What do you want?

The more I have, the more I want
The more I have, the more I want
The more I have, the more I want
...
