Don't close your heart to the feeling
Don't turn away
Don't pass me
By believing
Lifes gonna hurt again

Oh hold me now

Darling take my heart
Take my hand
Take all my dreams
All I am
Take me in love

I've heard the words that you've spoken
I know the pain
I've wandered
Lost and broken
Looking for love again

And here you are

Darling take my heart
Take my hand
Take all my dreams
All I am
Take me in love

Oh hold me now

Darling take my heart
Take my hand
Take all my dreams
All I am
Take the chance
Once again
Take me in love

Take my heart
All my dreams
Take the chance
Once again

Take me in love
