Since I was born they couldn't hold me down  
Another misfit kid, another burned-out town  
I never played by the rules, I never really cared  
My nasty reputation took me to Tokyo, Japan

Well, now you can see, it's not only me  
So many others have stood where I stand  
We are the young, raise your hands

They call us problem child  
We spend our lives on trial  
We walk an endless mile  
(We are the youth gone wild)

We stand and we won't fall  
We're wanted, one for all  
The writing's on the wall  
(We are the youth gone wild)

Boss screamin' in my ear about who I'm supposed to be  
Get a three piece Wall Street smile, son, you'll look just  
like me  
I said, "Hey man, there's somethin' that you oughta  
know  
Park Avenue leads to Skid Row"

Well, now you can see, it's not only me  
We're standin' tall, ain't never a doubt  
We are the young, so shout it out

They call us problem child  
We spend our lives on trial  
We walk an endless mile  
(We are the youth gone wild)

We stand and we won't fall  
We're wanted, one for all  
The writing's on the wall  
(We are the youth gone wild)

They call us problem child  
We spend our lives on trial

We walk an endless mile  
(We are the youth gone wild)

We stand and we won't fall  
We're wanted, one for all  
The writing's on the wall  
(We are the youth gone wild)

We are the youth gone wild  
We are the youth gone wild  
We are the youth gone wild  
We are the youth gone wild
