I love you, I love you,
Could you give me a name?
Lady action blue
Lazy on the sand

I know you, I know you,
You're a god I acclaim
Cross the ocean to
La vie Éternelle

Cause you you you you you you you you
Realize
You you you you you why?

Russians play "I'm gonna eat your soul"
Heaven plays to hide you in the sky
Won't you say it's just another role?
Souviens toi c'est l'amour véritable
We don't play

I love you, I love you,
Mon amour Éternelle
Lady action blue
Rescues all the band

I call you, I call you
From the island of pain
I'm a dreamer too
Lazy on the sand

Russians play "I'm gonna eat your soul"
Heaven plays to hide you in the sky
Won't you say it's just another role?
Souviens toi c'est l'amour véritable
We don't play

Cause you you you you you you you you
Realize
You you you you you why?

Russians play "I'm gonna eat your soul"

Heaven plays to hide you in the sky
Won't you say it's just another role?
Souviens toi c'est l'amour vÃ©ritable
