Hey! My life, saints for you
Dans la lumi re des  toiles
Les dieux m'ont fait gourou
You know it's true

Sensual, it's time to fly
Mon coeur dessinait sur l'eau:
"And now, you know you're right"

Sedulous latinos
Take the sea for you
And now, give us miracles
Oh, seven days for you
Ouh Ma! Sedulous latinos
A fantasy for you
And now, give us miracles
Seven days for you

Hey! My love, rendez-vous
Dans les bois de mon histoire
Quand je brulerai le voodoo
Et je suis fou

Sensual,

Sedulous latinos
Take the sea for you
And now, give us miracles
Oh, seven days for you
Ouh Ma! Sedulous latinos
A fantasy for you
And now, give us miracles
Seven days for you
