"Walk inna di Spirit," Galatians 5:16 says so.  
Ha ha, yes. Walk inna di Spirit.  
Well that's a second chance  
how that we come fi tell the name of who this here.  
Anyway, here we go, come!

So, walk inna di Spirit  
So you won't fulfill the lust of the flesh  
The flesh always a war against the Spirit  
And the Spirit always a the war against the flesh  
(X2)

Listen,  
Spirit seh fi walk, flesh want fi run  
Spirit seh fi talk, and the flesh a act dumb  
Spirit a seh fi stand, and the flesh want sit dung  
Holy beat, feet so sweet it come off a di jump  
Spirit seh be serious, flesh want fi play  
Spirit seh fi big, now flesh want decay  
Spirit want the goal, and the flesh want the guess  
So mi go walk inna di spirit for a brighter day  
The flesh, the flesh, the flesh,  
The flesh mek you jek fi you jump  
And envy a skunk  
Work she pine dan, work up your hand junk  
Wrath and strife, fling that inna di dump  
The way fi kill a matty 'cuz him mad like a pump  
Only God church one time fi di month  
Sit on a back bench instead of up front  
And crucify Jesus 'pon the jean jump

Chorus

Listen, hey, hey,  
Come on Christians, you know the flesh can  
It always a mix up in a bangarang  
It confuse humans and it confuse man  
You will end up 'pon ma dust if you na spiritually strong  
The flesh will get a tangled inna corruption  
All kind of things like fornication  
Adultery too, yes, wife and house, man

The flesh, yeah, will mash up your reputation  
But the fruit of the Spirit you get with it  
Love, joy, and peace with it  
Long-suffering - it does not come willing  
Gentleness, meekness, and faith within

Chorus

When you walk inna di Spirit, man a know sa you're free  
Seh you walk with a bounce, and a smile, and a glee  
Hey, mi see the devil, and him bound haffi flee  
Tell the devil fi shut up ca you have the victory  
The Spirit make you jump, hop, and skip  
Clap you too, and them hand just lift  
Speak inna tongues, and a jump like a fit  
Victory's mine 'cuz the devil get licked, yo!

Chorus

Mi seh, walk out, walk holy (Hey, Hey. One foot in front  
of the other, my brothers and sisters.)  
Walk out, walk holy (A so mi haffi tall up chang, yes)  
Zion's children, walk holy (Mi a tell them we na haffi do  
it!)  
Zion's children, walk holy (Hey, mi have the King Jesus)  
Walk out, walk out (Good God Almighty, that's it)  
Walk out, walk out (Oh, my God, oh, my God)  
Zion's children, walk holy  
Zion's children, walk holy

Spirit seh walk, flesh want fi run  
Spirit seh fi talk, and the flesh a act dumb  
Spirit seh fi stand up, and the flesh want sit dung  
Holy beat, feet so sweet it come off a di jump  
Spirit seh be serious, flesh want fi play  
Spirit seh fi big, but the flesh want decay  
Spirit want the goal, and the flesh want the guess  
So mi go walk inna di spirit for a brighter day

Chorus (X3)
