Come on, baby
Let's just go
Let's go to the West Coast,
Let's go
Come on, baby, take a chance now
Get up or get out of this town,
Come on, baby
Don't get down

Our eyes met on the dance floor,
Oh, look, She's tripping now
Our eyes met on the dance floor,
Don't be afraid to get down

She's got her name in lights,
She's got a picture-perfect smile,
She lives in California,
But, her love is worth all the while.
She puts her hand in mine,
Oh, she's the one for me,
She is a Hollywood girl
Living a Hollywood dream

She grew up in a small town
Underneath the lights,
Oh, I've got one last chance
To make this right,
Oh, come on, baby,
Take a chance now,
Won't you shake your chance now,
Shake it, shake it, shake it and shout

Our eyes met on the dance floor,
Oh, look, She's tripping now
Our eyes met on the dance floor,
Don't be afraid to get down

She's got her name in lights,
She's got a picture-perfect smile,
She lives in California,
But, her love is worth all the while.
She puts her hand in mine,

Oh, she's the one for me,
She is a Hollywood girl
Living a Hollywood dream

Oh, this is what happens on Annie Avenue,
Oh, oh, oh, oh, whoa,
Welcome to Annie Avenue,
Welcome to Annie Avenue

She's got her name in lights,
She's got a picture-perfect smile,
She lives in California,
But, her love is worth all the while.
She puts her hand in mine,
Oh, she's the one for me,
She is a Hollywood girl
Living a Hollywood dream
