"I Love You"

I'm waiting for you to get out of your class,
I wait, I wait for you
But when you got out,
You don't even see me or wink at me
You just walk away without looking at me

You hurt my feeling,
But I don't care
I keep staring at you, Non-stop
'Till you look at me smiling
You staring at me
(Chorus)

I love you so much
That's all I can say right now
I don't care if you don't love me
Oh, I miss you everyday

(End Chorus)

The next day, I saw you flirting with other girl
You hurt my feeling again
I don't know why you need to hurt my feeling
You keep hurting my feeling
But I still like you

I love you
That's all I can say right now
I don't care if you don't love me
Oh, I miss you everyday

I miss your sweet smile
Your good voice

Your eyes is killing me
Your voice is lovely

I love your laugh
Your eyes
Your smile
Your dimple

I love you with all my heart
