Dancing in my sleep
When I close my eyes
I see you every time
Dancing in my sleep
When I got to bed
You're dancing, dancing in my head

I don't believe it
I must be dreaming
I don't believe it

Here you are
I can't say I'm really sure
You come to me
Don't say what you want me for
But every night
I drift away
And in my dreams I find
You standing here
Don't say a word
But honey you shake me
With the bump and grind

Dancing in my sleep
When I close my eyes
I see you every time
Dancing in my sleep
When I got to bed
You're dancing, dancing in my head

It's so very nice
The way you make me feel
My friebds advise that you
Can't be really real
But every evening
I stay the... (not sure)?
I quickly dim the lights
I close my eyes and watch
Your body shines
As you take me and shake me
Through another night
