So many years gone, still I remember  
How did I ever let my heart believe  
in one who never gave enough to me  
And so many years gone, love that was so wrong  
I can't forget the way it used to be  
and how you changed the taste of love for me

You were my one more chance  
I never thought I'd find  
you were the one romance  
I've always known in my mind  
No one will ever touch me more  
and I only hope that in return  
I might have saved the best of me for you

And we'll have no ending if we can hold on  
and I think I've come this far because of you  
could be no other love but ours will do

You were my one more chance  
I never thought I'd find  
you were the one romance  
I've always known in my mind  
No one will ever touch me more  
and I only hope that in return  
I might have saved the best of me for you

No one will ever touch me more  
and I only hope that in return  
No matter how much we have to learn  
I saved the best of me for you
