This life is so overwhelming at times.  
We fall, and we fall to realize,

All the pain locked deep inside.  
We'll never understand this life.  
We all sail away,

I always thought I would find some sort of life  
That should help me through anything I struggled with  
inside.

Oh the bright lights fade,  
So you wondered where to be.  
I wanted someone to help me grow,  
I saw the lights go away.

I always thought I could be everything I need,  
Now that you're gone I feel robbed of this thing we got.  
We all recognize all the pain that's left inside of our  
hearts.

I wanted someone to love me,  
I wanted someone to love me.  
And I'll try to let go...
