Self abandonment
The clock stops ticking
While I grasp into the blank

Don't let your feet loose the ground
While the rats underneath are crawling on all fours

I walk your path forever
Feeling your pulse forever
Cursing your god
Carrying your ash

Queen among rats
Touching your vein
Blessing your brow
Letting you go

Queen among rats
Sighing for death
Scare off the rats
Crowning your death

Holy congregation

Where are her wings now?
Where are her wings?

Holy modifier
Carrier of wings

Black flame aspire
As above so below
Where are her wings now?
Where are her wings?

The light is here

To guide you through the pitch black
To guide your way home
Don't let your feet loose the ground
When the light falls down
While the earth is bleeding((die)(
