(Verse 1)

This is where I tend to dwell,
Come inside, sit for a spell.
Visiting hours, soon to end,
But the rules they won't bend.
So leave me alone, far from home,
Here where my soul cannot roam.

(Pre-Chorus)

I'm losing my head.
Soon I'll be dead!

(Chorus)

Here I'm trapped, paralyzed,
Stuck in this twisted, paradise.
It seems I'm caught, in their vice.
Maybe one day, they'll realize.
I'm trapped in this cell,
Forced to live through this hell.
Asylum 45, it's an endless struggle to survive.
It's a miracle if I stay alive.

(Verse 2)

I try to write, in the night,
But I'm lost in their dark delight.
I see the demons in my mind,
But, these endless bars I'm stuck behind.
They force me pills,
So I'll fulfill their wills.

(Pre-Chorus)

I'm losing my head.
Soon, I'll be dead!

(Chorus)

Here I'm trapped, paralyzed,

Stuck in this twisted, paradise.
It seems I'm caught, in their vice.
Maybe one day, they'll realize.
I'm trapped in this cell,
Forced to live through this hell.
Asylum 45, it's an endless struggle to survive,
It's a miracle if I stay alive.

(Verse 3)

For so long I've been here,
In these walls, full of fear.
Time ticks by,
But, it tends to lie.
Solitude is my old friend,
It's here with me until the end.

(Pre-Chorus)

I'm losing my head.
Soon, I'll be dead!

(Chorus)

Here I'm trapped, paralyzed,
Stuck in this twisted, paradise.
It seems I'm caught, in their vice.
Maybe one day, they'll realize.
I'm trapped in this cell,
Forced to live through this hell.
Asylum 45, it's an endless struggle to survive,
It's a miracle if I stay alive.

Straight-jackets
Electricity
Demons
Experiments
Sanguine sting

And all these things!

(Pre-Chorus)

I'm losing my head.
Soon, I'll be dead!

(Chorus)

Here I'm trapped, paralyzed,
Stuck in this twisted, paradise.
It seems I'm caught, in their vice.

Maybe one day, they'll realize.
I'm trapped in this cell,
Forced to live through this hell.
Asylum 45, it's an endless struggle to survive,
It's a miracle if I stay alive.

Asylum 45!
