### VERSE 1:

What's left of me?  
I cannot see.  
They won't let me be.  
I fight back,  
Prepare for the attack,  
Maybe they won't come back,  
This time they won't comeback.

### PRE-CHORUS:

Ruthlessly I make my stand,  
If I die it's by my hand!

### CHORUS:

I escape your world,  
Hide within my own.  
Blackout, What's left?  
I fall to the ground,  
Nothing worth sticking around,  
I fade to black,  
Blackout, What's left?

### VERSE 2:

Fade to black,  
No coming back.  
Where am I?  
Did I die?  
I look to the skies,  
Choke on their lies.  
Maybe this time they will win,  
I purge myself of remaining sin  
Then what's left?

### PRE-CHORUS:

Ruthlessly I make my stand,  
If I die it's by my hand!

CHORUS:

I escape your world,  
Hide within my own.  
Blackout, What's left?  
I fall to the ground,  
Nothing worth sticking around,  
I fade to black.  
Blackout, What's left?

VERSE 3:

Captured by the masses,  
Strung-up, feel the lashes.  
They label me insane,  
Can't think with my brain.  
If only they knew what's in store.  
I won't be here anymore,  
Maybe they will lose this fight.  
It ends tonight!

PRE-CHORUS:

Ruthlessly I make my stand,  
If I die it's by my hand!

CHORUS:

I escape your world,  
Hide within my own.  
Blackout, What's left?  
I fall to the ground,  
Nothing worth sticking around,  
I fade to black.  
Blackout, What's left?

WHILE SOLO PLAYS:

I can't fight this alone!  
Stand up, rebel, give them hell!  
I can't fight this alone!  
Stand up, rebel, give them hell!

STAND UP!

I can't fight this alone.  
Stand up, rebel, give them hell.  
I can't fight this alone.  
Stand up, rebel, give them hell.

I CAN'T FIGHT THIS ALONE!

STAND UP, REBEL, GIVE THEM HELL!

PRE-CHORUS:

Ruthlessly I make my stand,  
If I die it's by my hand!

CHORUS:

I escape your world,  
Hide within my own.  
Blackout, What's left? (What's left of me?)  
I fall to the ground,  
Nothing worth sticking around,  
I fade to black.  
Blackout, What's left?

CHORUS:

I escape your world,  
Hide within my own.  
Blackout, What's left? (What's left of me?)  
I fall to the ground,  
Nothing worth sticking around,  
I fade to black.  
Blackout, What's left?

VOCAL INTERLUDE:

I can do this.  
I am strong!  
I can survive,  
I can ignore them.  
I will win,  
I WILL WIN!

Blackout, What's left?
