(VERSE 1)

I'm sorry for what happened in the past.
Everything fell through, it happened so fast.
What we had was good, to bad it didn't last.
It gave me time to think, get my life on track.

Too bad it didn't last long, I'm glad you're gone!

(CHORUS)

Here I am, here today.
Here I am, I'm glad we went our separate ways.
Here I am, lost and alone.
But don't get me wrong, I'm glad you're gone!

(VERSE 2)

Useless, worthless, you labeled me.
Too bad back then you couldn't see,
I'd be here, playing guitar, living the life!
And it's all because your not my wife!

(CHORUS)

Here I am, here today.
Here I am, I'm glad we went our separate ways.
Here I am, lost and alone.
But don't get me wrong, I'm glad you're gone!

(VERSE 3)

Too bad I believed your lies.
Is it possible I was lost in your eyes?
You went behind my back, but I could care less.
Maybe it's time, time to confess

(CHORUS)

Here I am, here today.
Here I am, I'm glad we went our separate ways.
Here I am, lost and alone.

But don't get me wrong, I'm glad you're gone!

(CHORUS)

Here I am, here today.

Here I am, I'm glad we went our separate ways.

Here I am, lost and alone.

But don't get me wrong, I'm glad you're gone!

But don't get me wrong...

I'm glad you're gone!
