(VERSE 1)

Is this how it's supposed to be?  
All alone, no one here but me.  
I'm drowning in this endless sea.  
I wish someone would save me.  
Life is what you get out of it,  
But right now, I don't give a shit.

Save me before I go...

(CHORUS)

Falling into the abyss.  
I don't see a way out of this.  
Maybe, Someday,  
You'll be by my side, here to stay.  
Until then, I'm all alone,  
And into the abyss, I am thrown.

(VERSE 2)

Life has become a bore,  
Don't want to hang on anymore.  
It's you I need,  
I'll follow, and you'll lead.  
Out of the darkness, into the light.  
Please, help me through the night.  
Silently pleading, never receding.

It's too late I'm...

(CHORUS)

Falling into the abyss.  
I don't see a way out of this.  
Maybe, Someday,  
You'll be by my side, here to stay.  
Until then, I'm all alone,  
And into the abyss, I am thrown.

(CALMING MUSICAL INTERLUDE, INTO HEAVY SOLO)

(CHORUS)

Falling into the abyss.  
I don't see a way out of this.  
Maybe, Someday,  
You'll be by my side, here to stay.  
Until then, I'm all alone,  
And into the abyss, I am thrown.

(VOCALS, WITH END OF GUITARS)

Until then, I'm all alone,  
And into the abyss... I am thrown.
