You sure do, look real fine
Definitely, gonna make you mine
Now don't be, so shy
Just light my fire, with your eyes
Come on over, let me see
Just how much you, crave for me
Give in, to me, go ahead and set me free

Oh yes, it's good to be the queen, oe la la
Oh yes, it's good to be your queen, oe la la
The sweetest thing i've ever seen, oe la la
Mais Oui, it's good to be your queen

Take me, real high
Finally, feed my desire
Don't be, so shy
Just light my fire, with your eyes
Come on over, feel the heat
Let surrender, to this beat
Give in, to me, go ahead and set me free

Oh yes, it's good to be the queen, oe la la
Oh yes, it's good to be your queen, oe la la
The sweetest thing i've ever seen, oe la la
Mais Oui, it's good to be your queen, oe la la

Oe la la la
Oe la la la
It's good to be your queen
It's good to be

Oe la la la
Oe la la la
It's good to be your queen
It's good to be yours

Give in, to me
Go ahead and set me free (*2)

Yeah, Yeah

Oh la la

It's good to be yours

Oh la la

It's good to be the queen

Oh la la

Mais oui, it's good to be your queen

Oh yes, it's good to be the queen, oh la la

Oh yes, it's good to be your queen, oh la la

The sweetest thing i've ever seen, oh la la

Mais oui, it's good to be your queen, oh la la

Oh la la la

Oh la la la

It's good to be your queen

It's good to be

Oh la la la

Oh la la la

It's good to be your queen

It's good to be yours
