There's nothing I wouldn't do
Anything you want me to
Can't keep my hands off you

When you hold me in your arms
You rock my body with your charms
And I just don't give a darn - my heartbeat

I don't see you everyday
But in my own little way
Ooh I love you

Ooh it really makes me wanna freak
Our love is so sweet
Sweet enough to eat
My love is complete
Oh for the one I love
Yeah yeah yeah - ooh
Your sweet make me freak

Heartbeat makes me feel so weak

When you hear my little fears
Why my sad and lonely tears
Haven't felt so good in years
My heartbeat
Those dark and lonely nights
I wish with all my might
Ooh to have you, yeah
Now I'm here all alone
I'm waiting here by the phone
To have you

Ooh it really makes me wanna freak
Oh it's so sweet
Sweet enough to eat my heartbeat
Our love is so sweet
Just for the one I love
My heartbeat
Sweet-make me weak
Yeah yeah
Sweet your sweetness

Makes you my freak
Yeah - my heartbeat for the one I love

Now you know this don't make no kind of sense
Walkin around here so intense
You make my heartbeat
You make me feel so weak
Moving all around from my head to the ground
You make my heartbeat
You make me feel so weak
Cause everything you said went right straight
Through my head

Ooh so weak
My heartbeat
Oh oh my heartbeat it makes me feel so weak

Lying here all alone
Waiting by the phone
Don't make no kind of sense
Feeling this intesnse
Your sweet makes me weak
Weak weak, ooh...
Just give your love all of
My love
